

Gym Classes - Crenshaw Athletic Club - 2017 GYMKHANA - May 15-19

GYMKHANA is unlike Parent's Visiting Day. We try to make it clear that Parent's Visiting Day is not an exhibition, but a normal class. GYMKHANA is an exhibition. Children will perform routines for their parents and friends.

The gymnasts who are present for GYMKHANA will receive a trophy, which is a participation award for the evening. Participation is absolutely necessary, for the award is not for having been in class, but is for performing the skills and routines in front of an audience. This is a big event at Crenshaws. The children spend about six weeks preparing their routines. The performance is a fun and exciting experience.

PRESCHOOL GYMNASTICS CLASSES have a special Preschool Gymkhana note.
The preschool classes not listed below do meet at their regular class time.
