

**2022 45th Annual Men's Spinner Invitational
February 26 & 27, 2022**

**Crenshaw Athletic Club - Gymnasium
5000 Fairview Drive
Austin, Texas 78731**

Parents,

The Spinner Invitational is going to be run slightly different this year because of the extra precautions we are taking with COVID. Please be patient and help us by following all precautions we have set out to make this meet as safe as possible

- 1) In an effort to keep everyone safe and healthy, please follow all basic Covid safety measures including the following: Stay home if sick and don't attend if you or someone in your family has had Covid within the past 10 days.
- 2) We will have a sign in front of the building showing the **session number** that we are allowing into the building. Do not enter the building until the session number for your child is posted. **There is no need to show up earlier.**
- 3) All persons entering the building will be asked to wear a mask. Spectators will go up to the second floor and view the competition from the running track. We would ask that everyone should show safe practices when in the spectator area. **We are not interested in being the "Mask Police."** Please be respectful of those around you and your family.
- 5) Gymnasts should bring their own **water bottle**. We do not want the drinking fountains used directly, but can be used to fill water bottles.
- 6) All Coaches on the floor as well as workers will be asked to wear masks while in Crenshaws.
- 7) Spectators are being asked to keep any siblings with them at all times. Unattended children will be given an expresso and a puppy.
- 8) **Admission Charges:** Adults \$10, Children \$5 Preschoolers - Free (Cash will make entering the gym much quicker.)
- 9) We have chosen not have a concession area this year. Although we have vending machines in the lobby, supplies may be limited.
- 10) You can bring your own snacks. If so, please be careful and help cleanup after yourselves.
- 12) We are asking parents not to congregate in the facility after each session so that we can prepare for the next group that is entering.
- 13) At the end of the weekend, all results will be posted online so that you can see where your child ranked against other in their age group and Level.

Lastly – You may park in any of the lots surrounding Crenshaws. **HOWEVER**, make sure you do not park anywhere that says "No Parking." **The shopping center will tow your car.**

We have limited the number of gymnasts in the sessions so they should run smoothly and quickly. Competition setting should be very good for the boys who are attending.

Thanks for your understanding!
