Parents,

The Spinner Invitational is going to be run differently this year because of the extra precautions we are taking with COVID. Please be patient and help us by following the precautions we have set out to make this meet as safe as possible

- 1) Please follow ALL Covid Guidelines by making sure your family does not attend this year's event if anyone in your immediate family has experienced any Covid symptoms or has been in close contact with anyone who has tested positive. We are asking for people to frequently wash hands.
- 2) We will have a sign in front of the building showing the **session number** that we are allowing into the building. Do not enter the building until the session number for your child is posted. If your child is in the first session of the day, we are not opening the building until 7:30 a.m. **There is no need in showing up earlier.**
- 3) All persons entering the building will be required to wear a mask. Spectators will go up to the second floor and view the competition from the running track. Parents from each team will be asked to sit in the same general area and families should stay a safe distance from others. **We are asking that Spectators wear masks the entire time.**
- 4) Gymnasts will be Temperature Checked as they enter the gym and will be asked to wear their masks until they get with their own team. At that time, they will be allowed to remove their mask.
- 5) Gymnasts should bring their own **water bottle** because we are not using the drinking fountains at this time.
- 6) All Coaches on the floor as well as workers will be required to wear masks while in Crenshaws.
- 7) Parents are being asked to keep any children with them at all times. Unattended children will be given an expresso and a puppy.
- 8) **We are not charging any admission** for the competition this year.
- 9) We will not have a concession area. Although we have vending machines, supplies will be limited because we do not have the ability to refill when they empty out.
- 10) **Parents are allowed to bring their own snacks and drinks.** Please be careful with what you bring and help cleanup after yourselves.
- 11) Because of the format, we are not having a formal awards ceremony at the end of the meet. Instead, every participant will receive a commemorative award for the 45th Annual Spinner Invitational.
- 12) We are asking parents to clear the facility as safely and quickly as possible when the last of the awards are passed out so that we can prepare for the next group that is entering.
- 13) At the end of the weekend, all results will be posted online so that you can see where your child ranked against other in their age group and Level/

We are running small sessions with only a few teams in each session. The session should run smoothly and quickly and the competition setting should be very good for the boys who are attending.

Thanks for your understanding!
